

Annotation Expectations for *Animal Farm*

Students are not expected to purchase these books. Therefore, we will be annotating using sticky notes if you do not have your own personal copy. If you do have your own copy, you may write inside your copy without bothering with the sticky notes.

Students should have a **minimum of one sticky note for every two pages of text.**

It should look like the following:

QUOTE:
WITH PAGE #

"As soon as they were weaned, Napoleon took them away from their mothers, saying that he would make himself responsible for their education."
p. 41

COMMENTARY:

Napoleon is building an army for himself, and no one knows it.

All writing should be legible.

Every 2 pages may seem like a lot, but it's not that much in a book this rich. If you can't find one thing to comment on in this book every two pages, it is telling you that you aren't reading and thinking as deep as you need to push yourself to be.
